## **Election Arrangements for Local Advisors at Nine Mile Ride Primary School**

This document defines the arrangements for Local Advisor elections at Nine Mile Ride Primary School which is part of The Circle Trust. It is based upon guidance from National Governors Association (NGA). The responsible authority for the purposes of the organization of Local Advisor elections is The Circle Trust. The Circle Trust delegates this responsibility and the conduct of election to the Local Advisory Board.

The Local Advisory Board will ensure that every effort is made to conduct informed elections in which the expectations and credentials of prospective candidates are made clear. In seeking new Local Advisor, the Local Advisory Board will set out:

- the core functions of the Local Advisory Board and the role of an Advisor, and the induction and other training that will be available to new Advisors to help them fulfil it;
- the expectations they have of Advisors for example in relation to the term of office, the frequency of meetings, membership of committees and the willingness to undertake training; and
- any specific skills or experience that would be desirable in a new Advisor, such as the willingness to learn or skills that would help the Local Advisory Board improve its effectiveness and address any specific challenges it may be facing.

### **Matters for the Local Advisory Board to determine in advance of an election**

- 1 Appointment of Returning Officer
- 2 Election Timetable
- 3 Method to ensure secrecy of ballot
- 4 Treatment of ballot papers returned in a way other than specified.
- 5 Procedure to be adopted in the event of an equality of votes

### **Timing of Elections**

Parent or Staff Advisor's should be elected in time for them to participate in the election of Chairman and Vice Chairman of the Local Advisory Board wherever possible.

If vacancies arise because a period of office is coming to an end, then nominations should be sought at the beginning of the term in respect of which the vacancy is likely to occur. The term of office will run from the date of the expiry of the previous holder of the office.

### **Returning Officer**

The Chair of the LAB, unless another person has been so appointed by the Local Advisory Board, shall act as Returning Officer for the election and shall organise the conduct of all Local Advisory Board elections.

### **On a vacancy Occurring**

A letter will be issued with an attached nomination form to all parents for a Parent Advisor role or all staff for a Staff Advisor role via the normal communication process of the school.

The letter will set out the timetable for each stage of the election.

The Returning Officer will take **reasonable** steps to ensure that every person who is known to them to be a parent of a registered pupil at the school is advised of the vacancy and his/her right to stand as a candidate and/or vote in the election.

The Returning Officer will take **reasonable** steps to ensure that every person who is an employee is advised of the vacancy and his/her right to stand as a candidate and/or vote in the election.

7 clear days should be allowed for return of nomination forms.

### **Definition of a Parent**

A "Parent" for the purposes of Local Advisor elections is defined as any individual person having parental responsibility for, or care of, any child currently attending the school. Any question as to the eligibility of an individual to vote or stand for election shall be decided by reference to The Circle Trust.

A member of "Staff" for the purposes of Local Advisor elections is defined as any individual person who is employed by the school. Any question as to the eligibility of an individual to vote or stand for election shall be decided by reference to The Circle Trust.

### **Declaration and proof of identity**

All Local Advisors are required to sign a declaration to confirm their qualification as an Advisor. This will be done at the same time as nominations are taken.

The Chair must be satisfied that the person nominated or elected is who they say they are, and should request evidence of identity such as a passport, birth certificate or driving license. One of the documents provided should include photo identification.

### **Uncontested Elections**

If nominations received are less than the number of vacancies, the Returning Officer shall declare the person or persons so nominated as elected. The result will be announced by posting a notice on the school website and notifying all parents/staff via normal channels of communication. The Returning Officer must advise the Clerk of The Circle Trust of the result.

## **Contested Elections**

If more nominations than vacancies are received then a ballot is necessary. A letter will be issued to every parent eligible to vote (all those with a registered pupil currently at the school) along with a ballot paper. Or to all members of staff in relation to Staff Advisor elections. Notice of the election and a copy of the election rules will be displayed on the school website. Parents must be given the opportunity to vote by post if they so choose. If some parents do choose to vote by post it will be necessary for the returning officer to ensure that no parent receives more than one ballot paper.

The Local Advisory Board has decided the method to be adopted to maintain the secrecy in the ballot, which is the issue of an envelope with each ballot paper for return to the school.

A period of at least one school week will be allowed for the return of voting papers (Monday to Friday).

Proxy voting is not permitted. If a ballot paper is spoilt or lost, a duplicate may be issued by the Returning Officer.

## **The Count**

As soon as possible after the closing date that has been specified for the receipt of ballot papers, the Returning Officer will arrange the count. Until the count all envelopes will be kept unopened in a safe place.

The Returning Officer must allow the candidates and their nominated representatives the opportunity to be in attendance at the count. The envelopes will be opened in the presence of all parties. The votes cast for each candidate will be counted in the presence of all parties.

The Returning Officer will decide which ballot papers (if any) are to be classed as "spoilt" before votes are counted.

The candidate(s) elected will be those gaining the highest number of votes under the 'first past the post' system.

The Local Advisory Board has determined, in advance of the election the action to be taken in the event of a tie / equality of votes. This will be by the drawing of lots. The result of the election shall be notified by the Returning Officer to all parents or staff and to other members of the Local Advisory Board.

The Clerk to the Local Advisor must ensure that the Clerk to the Trustees is advised of the names and addresses of those persons appointed as Local Advisors to the school, and their date of appointment. The Clerk to the Trustees will maintain lists of the membership of all Local Advisors. Each Local Advisory Board is also required to have this information.

Ballot papers shall be retained securely for six months in case the election result is challenged. The number of ballot papers issued and the number returned at each election shall be recorded.

### **Election Inquiry**

If before the expiration of two calendar months after the day on which the election result had been declared, representations in writing have been made to the Chair of Trustees alleging improper behaviour or dispute at an election, or a noncompliance with or breach of these rules. The Chair of Trustees shall appoint a person or persons (excluding any person involved in the election) to investigate such allegation, and, if necessary, to examine election papers.

### **Publication of Rules**

A copy of these Rules and of all the prescribed forms referred to must be published on the website of each school with the notice of any election or by-election for parent or staff Local Advisors.

### **Notes:**

When a vacancy occurs during the summer term it may be appropriate to delay the election procedure until early in the autumn term so that parents of children joining the school in September have the opportunity to participate.

Where a substantial number of parents have a language other than English as their Mother Tongue, all documents relating to elections should be translated into other languages.

An election is not invalidated by an individual's failure to receive or return a ballot paper.

Each parent/carer has one vote per vacancy regardless of how many children he/she has attending the school.

A candidate may withdraw his/her nomination prior to the preparation of the ballot papers. Once ballot papers have been prepared the election must proceed unless the number of candidates remaining equals the number of vacancies.
