25/4/2018 - Poplar Class Spelling Words SPRING/SUMMER TERM 2018

As of 30/04/2018, Poplar Class will be using the words found below for their dictation sentences.

Now that we have reached the end of our spelling words, we will be focusing on dictation sentences (listening to a sentence, remembering it and trying to write it down word for word). The dictation sentences will include a couple of words which we have used for our spellings - we will focus on these words and try to spell them correctly.

E.G.

Spelling words= possible, group, library

Dictation sentence= It is possible that a group will go to the library today.

When tested, children will receive one mark for the correct spelling (key spelling words only) and one mark for the correct sentence.

Remember! It is also important to:

- Read the spelling words with your child
- Discuss the meaning of the word
- Discuss spelling patterns
- Ask your child to put the word into sentences both verbally and in the written form

Please note: Your child will not have been tested on all of these spellings. We have two sets which are sent home. The majority of children will have been tested on the spellings in blue.
