Dear Parents/Carers

Y6 - Healthy Lifestyles Cookery Sessions

As in previous years, we would like to give the Year 6 children the opportunity to plan, prepare and serve a healthy balanced lunch. The children will be working in small groups in the Food Technology area to cook the food, according to a menu they have planned previously. The children will also be entertaining an invited guest who will share the meal.

Volunteers: In order to give the children this valuable opportunity, we need additional adults to help supervise the cooking. Please consider if you can help support the children in this activity, either for a single session or several. In order to comply with child protection regulations, all helpers must be DBS checked. We will contact all volunteers with further details nearer the time.

The format of the cooking sessions will be as follows:

All sessions will start at 9.30 a.m. with the children planning to serve their meal at 12.15 p.m. and have cleared up in time for the start of afternoon school. The sessions are planned to take place over 10 sessions as follows:

w/c Monday 11th June – Hawthorn class/ Mrs Dolton
w/c Monday 18th June – Lime class/ Mrs Evans

The children will not need to bring in lunch on their cooking day as they will be eating their own creations. We do ask for a contribution of £2.00 to cover the cost of the ingredients.

Payment Procedures – We would be grateful if you can use the online payment system to pay the £2.00 for this activity. In order to do this, please go to www.scopay.com/nmrschool. However, if you prefer, you can also pay by cash or cheque (made payable to Nine Mile Ride School.

Please complete and return the attached form and make your payment by Thursday 10th May.

Yours sincerely

Mrs N Dolton Mrs J Evans
