Child's Name: Class Teacher: Year:

Parent/Guardian Name: Emergency Contact No:

Please pick up my child from Beehive and take to disco: Yes/No

Please return my child to Beehive at the end of the disco: Yes/No

I will be collecting my child at the end of the disco: Yes/No

If the answer to the above is no and you are not sending them to Beehive please advise who is picking them up.

All children must be collected by a responsible adult.

Unless you specify whether your child will be collected and/or returned to Beehive we will assume you are dropping off and picking up. It is important that you inform us in advance of the disco if someone else other than the parent will be collecting your child/children at the end of the disco.

Whilst we appreciate it is a little hectic at the end of each disco it is because we are ensuring the children are only released once we have identified that their parent is present to pick up. We thank you for your patience. If there are any parents who are willing to help with the disco please contact Mandy Gatrack, 07780861633 or MGilb21969@aol.com.
