*Dear parents and carers,*

*I would like to extend a sincere thanks to all the families, children and staff who have given me such an extremely warm welcome since I arrived here at Nine Mile Ride. I feel incredibly privileged to have the opportunity to work in such a warm, friendly and supportive school!*

*This is my first experience of working within Wokingham, after (well over!) a decade of working in schools within Bracknell Forest. I started my career as a class teacher working at a small primary school in Sandhurst, before moving on to become Assistant Head in a much larger primary school in Bracknell. Both schools have given me a wealth of experience and opportunities, from working alongside children and families from all backgrounds to training and supporting teachers both locally and nationally as part of a range of educational training and development programmes.*

*I hope to be able to bring some of these experiences with me to help Nine Mile Ride become an even more fantastic setting for the whole community, and I am very much looking forward to getting stuck into the role of Deputy Head here. I would love to get to know as many members of the Nine Mile Ride community as possible, so please do come and say hello if you see me out and about.*

*Mrs York*

# NUT FREE SCHOOL

**THANK YOU**

We have several children and staff members that have nut allergies, this includes sesame seeds.

Please be mindful of this when sending your child in with a packed lunch and their tuck.

## School Communications

We no longer be using Parentmail to communicate to parents and carers.

The new method of contact will be via email or text and this will be sent using the Scopay communications system that we use for all online payments. We believe we have fixed any initial setup issues, but please let the office know if you are not receiving emails!
